

# WE HAVE \$4,100 WAITING FOR YOU!

*Please help us get it to you.*

*Here's what you get. For each referral that joins our family, **WE PAY YOU!** That's right, cash money! What could be easier?*

You know the saying... "It's all about who you know?" Well, it is. In fact, we'd like to pay you for who you know. It is only natural to want to involve other families and friends in a program that you know they would benefit from. In fact, much of our business is built from the referrals of owners just like you.

And we want to make it easy for you...in fact; you can relax, because **we do all the work!** Here's how it works. Simply go online to [www.Global-Escapes.net](http://www.Global-Escapes.net) and click on the 'Owner Referral' link. Fill out the 'People Like You' form with the names and contact information for each person you would like us to contact. Then click the 'Submit' button and we'll take it from there. Our courteous referral team will call up your contacts and invite them to attend an informative 90-minute presentation, just like the one you attended. For their time, we will give them \$50 to enjoy a nice dinner on us. We will also notify you once they have scheduled to attend and if you would like to attend with them, then we'll give you \$50 for dinner as well.

1st Referral	\$500
2nd Referral	\$600
3rd Referral	\$750
4th Referral	\$1,000
5th & subsequent Referrals	\$1,250

**THINK OF ALL THE THINGS YOU COULD DO WITH THAT MONEY?**

*Remodel your house, fix up the car, or take some awesome vacations with your family.*

*There is no limit to how much you can make and there is no time like the present. So, why don't you take a few minutes right now to go to [www.Global-Escapes.net](http://www.Global-Escapes.net) and fill out the 'People Like You' form and click the 'Submit' button?*

# *Referral Promotion F.A.Q.'s*

**Q) Whom can I refer?**

A) Anyone between the ages of 25 & 70 who: 1) couples that are married or co-habiting, that earn at least \$40,000.00 combined annual income, 2) single females earning at least \$40,000 annual income, 3) all must be willing to attend an informative 90 minute presentation at one of our sales centers.

**Q) Sounds great, how do I get started?**

A) We're glad you asked! Just go to the [www.Global-Escapes](http://www.Global-Escapes) website and click on the 'Owner Referral' button. Fill out the 'People Like You' form and then click 'Submit'. We'll do the rest. Be sure to list as many of the names and numbers of all your friends and associates that you think would benefit from owning what you own. A member of our courteous referral staff will then go to work calling everyone on your list and inviting them down to hear all about our program. For attending, your friends will receive a \$50 dinner on us. We will also let you know when they are planning to attend. If you decide to join them at the presentation, we will give you \$50 for dinner on us too. That way you can all go to dinner together and make a night of it.

**Q) How do I get paid?**

A) Great Question! We will mail a check to your home address 15 business days after one of your friends decides to join the Global Escapes family. It's that simple.

**Q) How long will this promotion last?**

A) This promotion is running for all of 2008. After that, we reserve the right to discontinue or modify any program, including this one, at anytime, and without notice. Any referral that joins Global Escapes before December 31st, 2008, will qualify as one of your referral sales.

**Q) Can I request who will be hosting my friends?**

A) Absolutely. You can request that a certain sales person be there to talk to your referral. We will make every effort to make sure that the person you requested is the one that meets with your referral.

**Q) Is there any limit to the number of people I refer?**

A) No, there isn't. You can refer as many people as you like. In fact, it gets addicting. Some people make more money doing this than at a part time job. All you have to do is give us the names, and we'll do the rest, then, you get the money. What could be easier?
